RESOLUCIÓN No. 201-16999

EL DIRECTOR GENERAL DE INGRESOS

CONSIDERANDO

Que ante la Dirección General de Ingresos, Sección de Cuenta Corriente, se presentaron solicitudes de corrección que a la fecha no han sido resueltas por diversos motivos, que no permiten la culminación del trámite.

Que al analizar las precitadas solicitudes se ha comprobado que, en efecto, datan de fecha mayor a un (1) año, sin que el contribuyente le haya dado el impulso necesario para la respectiva culminación del trámite.

Que el Artículo 1186 del Código Fiscal establece lo siguiente:

“Cuando transcurrieren más de dos meses sin que los interesados hayan presentado los documentos necesarios para la resolución del expediente, que les hubieren sido reclamados, o cuando por culpa de ellos no pudiese fallarse el negocio en igual plazo, se declarará de oficio caducada la instancia y se archivará el expediente.

Caducará también la instancia, cuando se trate de expedientes en única o primera instancia, siempre que el interesado haya dejado transcurrir el plazo de un año sin hacer por escrito la gestión propia para que el negocio siga su curso.

Estos plazos se contarán desde la última diligencia en que el interesado hubiere intervenido o desde la fecha de la última gestión que hubiere hecho”.

Que, en cumplimiento a lo dispuesto por el Artículo 1186 del Código Fiscal, lo que corresponde de oficio es, decretar caducada la instancia y cumplir lo establecido en la precitada norma legal.

Que, por lo antes expuesto, el Director General de Ingresos, en uso de las facultades que le confiere la Ley,

RESUELVE

PRIMERO: Decretar la caducidad de la instancia, de las siguientes solicitudes de corrección, correspondientes al año 2007, como se detalla a continuación:
